A MINORITY BURSARY ESTABLISHED AT LOYOLA CAMPUS

In memory of a relative, an anonymous donor has established a bursary offered to students on the Loyola Campus of Concordia University. A cash award of $200.00 will be granted to a male or female homosexual student who has achieved superior academic excellence. Applicants must be in University III.

Students may be nominated for the bursary, or may apply in writing to Mrs. Freda Haffey, Director of Financial Aid. The Financial Aid Office will keep applications in the strictest confidence.

This is a bursary that has been tentatively approved until a Concordia University policy on restrictive scholarships and bursaries is established.

This year candidates may apply in writing to the Financial Aid Office by November 15th.
